CONTRIBUTORS

Norman E. Saul is a professor of history at the University of Kansas. He teaches Russian and Soviet history. His major research interest is Russian-American relations before the revolution of 1917, and the University Press of Kansas will publish the first volume of this study in the fall of 1990.

James Marten is an assistant professor of history at Marquette University. He has written numerous articles, and a book is forthcoming on Texas during the Civil War.

Steven Scott is an associate professor of geography at the University of Northern Colorado. Dr. Scott's most recent research has focused on water use in the Western United States and characteristics of the U.S.-Mexico border region.

Richard Dillman is professor of English and chair at St. Cloud State University. He has published numerous articles on the works of Henry David Thoreau, and an edited collection of Thoreau's comments on writing. He also has published articles on Willa Cather, Wallace Stegner, and other plains' authors.
